EDUCATION

Master of Computer Applications, [BVICAM](#), [GGSIU](#), New Delhi
Computer Applications **SGPA 8.5**

Expected 2024

SKILLS

Technical Skills	Java, Data Structures and Algorithms, Javascript, OOPs, MySQL, DBMS
Languages	Hindi, English

PROJECTS

Aikyam (Team Size: 4)

- Developed an interactive platform, Aikyam, using React.js library.
- Designed and deployed intuitive question and answer components, resulting in a 30% increase in user engagement.
- Established a responsive user interface, improving user experience and reducing bounce rate by 20%.
- Implemented secure user authentication for seamless sign-up, log-in, and log-out functionality.
- Ensured cross-browser compatibility and mobile responsiveness, reaching a wider audience.
- Actively incorporated user feedback, resulting in iterative enhancements and a 15% increase in user satisfaction accordingly.
- Optimized platform performance, reducing page load time by 25%.

Personal Portfolio (Individual Project)

- Created a dynamic Personal Portfolio Website using JavaScript.
- Incorporated interactive elements, resulting in a 25% increase in user engagement.
- Ensured a responsive design, providing an immersive user experience across devices.
- Demonstrated proficiency in front-end development, receiving positive feedback from industry professionals.

ASSESSMENTS / CERTIFICATIONS

- [Java\(Basic\)](#) Problem solving(Intermediate)
- [SQL\(Basic\)](#) Problem solving(Intermediate)

ACHIEVEMENTS

- Successfully cleared the assessment for the skill [Java\(Basic\)](#) and [SQL\(Basic\)](#) at HackerRank.
- Solved more than 200+ Coding Problems on [LeetCode](#).
- I achieved the 1st rank in the Chess tournaments held at Zakir Husain Delhi College (University of Delhi) in both 2017 and 2018.

PERSONAL INTERESTS / HOBBIES

- I thoroughly enjoy tackling LeetCode problems.
- Chess is a game I love to indulge in during my free time.
